I'm not going to change the way I look or the way I feel to conform to anything. I've always been a freak.

said a wise man to one in
deep sorrow,
"I did not come to comfort
you; God only can do that;
but I did come to say how
deeply & tenderly I feel
for you in your affliction."

-tyron edwards

sy-edwards

i believe that imagination
is stronger than knowledge-
myth is more potent than
history-
dreams are more powerful
than facts-
hope always triumphs over
experience-
laughter is the cure for
grief-
love is stronger than de ath.

-robert fulghum

sy-fulghum

walking with a friend
in the dark is better
than walking alone
in the light.

-helen keller

sy-keller

the boundaries which
divide life from death
are at best shadowy &
vague.
who shall say
where the one ends
& the other begins?

-edgar allen
poe

sy-poe

remember there's no such
thing as a small act
of kindness.
every act creates a ripple
with no logical end.

-scott adams

ty-adams

too often we underestimate
the power of a touch,
a smile,
a kind word,
a listening ear,
an honest compliment,
or the smallest act of
caring,
all of which have the
potential to turn a life
around.

-leo buscaglia

ty-buscag

there are three things in
life that are important.
the first is kindness.
the second is kindness.
and the third is kindness.

-william james

ty-james

kindness in words creates
confidence.
kindness in thinking creates
profundness.
kindness in giving creates
love.

-lao tau

ty-laotzu

a little thought &
a little kindness
are often worth more
than a great deal
of money.

-john ruskin

ty-ruskin

wherever there is a
human being,
there is opportunity for
kindness.

-seneca

ty-seneca

after the verb "to love",
"to help" is the most
beautiful verb in the world.

-bertha von
suttner

ty-suttn

the best portion of a
good man's life;
his little, nameless,
unremembered acts of
kindness & love.

-william wordsworth

feeling gratitude &
not expressing it
is like wrapping a present
