2024 · 2025 Wholesale Catalog

Let's **CELEBRATE!**

## DRISCOLL DESIGN™

Driscoll Design was founded in 2004 by artist, Angela Skeldon, with the intention of creating imaginative greeting cards that hold sincerity and tell a story. Today, she gratefully continues Driscoll Design with her 12-year-old muse, Danny Driscoll, by her side and a pocketful of supportive friends and family. Angela's unique aesthetic showcases her deep nostalgia of the past from a fresh, modern viewpoint. She is inspired by design history, children's books, the mountains of the Alps and the Pacific Northwest, vintage paper ephemera, her childhood memories and her German mother, Inge.

Driscoll Design is located in the beautiful Evergreen State. Our vibrant cards are printed in the heart of Seattle on premium-quality, warm white, FSC® certified, 100# cover stock with a HP 12000 Indigo Digital Press to produce the highest standard, full-color output possible.

**PRODUCT DIMENSIONS**

Greeting Cards = 4.25" x 5.5"

Enclosures = 2.25" x 3.25"

Die Cut Stickers = approx. 3.5" x 3.5"

Full color greeting cards with matching envelopes as single cards or in boxed sets of 8. FSC® Certified. Made in USA.
