

The background features several hand-drawn, colorful shapes and faces. In the top left, a yellow face with two dots for eyes and a simple smile is enclosed in a yellow outline. To its right, a red shape resembling a stylized 'e' or a loop is drawn. Below the yellow face, the letters 'i e j v x r' are written in a simple, lowercase, black font. Below these letters, the word 'catalog' is written in the same font, with the 'e' being significantly larger and colored blue. In the bottom left, a red shape resembling a crown or a zigzag line is drawn. In the bottom right, a yellow face with two dots for eyes and a simple smile is partially visible. The overall style is playful and childlike, using thick, textured lines.
