FALL & WINTER 2019 WHOLESALE CATALOG

*Letterpress greeting cards and collectibles made with color and imagination*

## Hello...

Welcome to our world! Our products are a fun reinterpretation of nostalgia, vintage things and memories. We print our cards in-house with a vintage letterpress from the 1950s. Color and playful imagery are generously used because it just makes us feel good. We make our products with great pride and with good vibes and hope you enjoy them as much as we do!

Michele Lee is the owner, designer and printer of Lucky Horse Press, located in New Jersey.

Our mission is to create general happiness for all.

## ABOUT OUR PRODUCTS

### Greeting Cards

**Size:** A2 (4.25 inches by 5.5 inches)

**Paper:** Recycled 100 lb. cover

**Envelopes:** Matching A2 square flap

Variations in ink color and coverage are normal with the printing methods we use and add character to each handmade card. Cards with envelopes are packaged in a clear sleeve.

### Pencils

Our round wood pencils are made with premium wood for a smooth sharpening experience! The plastic erasers will not leave marks on paper.

### Art Prints

Our art prints are Riso printed and some misregistration and transfer of color is normal with this printing method. Smudges are easily removable with a plastic eraser. Prints are shipped flat, packaged with a chipboard backing for reinforcement and enclosed in a resealable clear bag.

### Enamel Pins and Keychains

Our pins and keychains were designed to be worn, gifted or collected and packaged with a card backing and resealable clear bag.

### Patches

Our patches come in chain stitched and embroidered varieties with iron-on and sew-on backings. Each is packaged with a card backing and resealable clear bag.

## ONLINE WHOLESALE SHOP

We've created an online wholesale shop so busy store owners can easily place an order, check out and go!

Items are priced in multiples of their minimum quantities. For instance cards are ordered in multiples of 6 so order one unit to receive 6 cards and 2 units to receive 12 cards. So super easy!
